

Where You Are

ALL: The heart of the city is on fire
Sun on the rise, the highs are gonna fall
But nothing is different in my arms
So, darling, remember
Remember where you are

Alto: Do you remember where we are?
I'm no enemy of yours, no, no
A/S: When life is hard that's how it goes
As your destiny unfolds, hold on
A: To the picture hung on the wall
Sweet reminder before the fall
S/T: Remember me, remember me
S/T: Remember me, remember me
A: To the places we used to go
Sweet reminder, so beautiful
S/T: Remember me, remember me
S/T: Remember me, remember me

A(S/T): Every day you get up (ooooh)
And look out of the window (ooooh)
Take a breath of morning air (ooooh)
And listen to the people out there (ooooh)
S/T(A) The heart of the city is on fire (the heart of the city is on fire)
Sun on the rise, the highs are gonna fall (the highs are gonna fall)
But nothing is different in my arms (be in my arms, be in my arms, be in my)
A/T(S) So, darling, remember (remember)
Remember (remember)
All: Where you are
Where you are
Where you are
Where you are
A: We are the last ones of our kind
Freedom of our hearts and mind oh, oh
All: Yes, let our bodies testify
And our spirits be entwined forevermore
A(S/T) Every day you get up and look out of the window take a (ooooh) breath of
morning air (ooooh)

And listen to the people out there (oooh)
As the birds are singing a duet with the morning traffic (oooh)
What's the one you're hearing? (oooh)
What's the one you're hearing? (oooh)

S/T(A) The heart of the city is on fire (the heart of the city is on fire)
Sun on the rise, the highs are gonna fall (the highs are gonna fall)
But nothing is different in my arms (in my arms, in my arms, in my arms)
A/T(S) So, darling, remember (remember)
Remember (remember)
T/S: Where you are

A(T/S) Can we keep moving in the after hours? (oooh)
Can we keep loving on the edge of doubt? (oooh)
You should let me save the day (oooh)
Please and thank the pain away (oooh)
A(All) Why don't you (take me, take me home)?
A(T/S) Can we keep moving in the after hours? (oooh)
Can we keep loving on the edge of doubt? (oooh)
You should let me save the day (oooh)
Please and thank the pain away (oooh)
