

LYRICS – ABBA MEDLEY ARCHWAY CHOIR

A/S: If you change your mind, I'm the first in line (M: take a chance take a chance etc)

Honey I'm still free, take a chance on me

If you need me let me know and I'll be around

When you got no place to go and you're feeling down

All: Take a chance on me – take a chance on me

All: There's so much that I wanna do, when I dream I'm alone with you it's magic

You want me to leave it there – afraid of a love affair but I think you know

That I can't let go

All: Money money money, must be funny – in a rich mans world

Money money money, always sunny, it's a rich mans world

Ahaaaaa - All the things I could do – If I had a little money it's a rich mans world

So when you're near me darling can't you hear me SOS

The love you gave me nothing else can save me SOS

When you're gone – how can I even try to go on

S/A: When you're gone M: When you're gone

Though I try how can I carry on?

S/A: Tonight the super trouper lights are gonna blind me

Shining like the sun (M: Su-per per trouper per) , Smiling having fun,

M: Su-per per trouper per) Feeling like a number one M: Su-per per trouper per)

S/A: Tonight the super trouper beams are gonna find me

But I won't feel blue (M: Su-per per trouper per), Like I always do M:

Su-per per trouper per) Cos somewhere in the crowd there/s you

(M: Su-per per trouper per)

Half past twelve and I'm watching the late show in my flat all alone
How I hate to spend the evening on my own
Autumn winds, blowing outside my window as I look around the
room
And it makes me so depressed to see the gloom
There's not a soul out there
No one to hear my prayer (S/M: My prayer)
Gimme, gimme gimme a man after midnight
Wont somebody help me take the shadows away
Gimme gimme gimme a man after midnight
Take me through the darkness to the break of the day

All: Knowing me knowing you, there is nothing we can do
Knowing me knowing you, we just have to face it this time we're
through
Breaking up is never easy I know but I have to go
Knowing me knowing you is the best I can do

Knowing me knowing you.
