

Everlasting Love

Hearts gone astray, leaving hurt when they go
I went away, just when you, you need me so
You won't regret, I come back beggin' you
Won't you forget, welcome love we once knew

Open up your eyes then you realize, (ohhh)
here I stand with my everlasting love (ohhh)
Need you by my side, girl to be my bride (ohhh)
You'll never be denied, everlasting love (ohhh)
From the very start, open up your heart (ohhh)
Be a lasting part of everlasting love (ohhh)
This love to last forever
This love to last forever

Where life's river flows, (ohhh)
no one really knows 'til someone's there to show (ohhh)
the way to lasting love (ohhh)
Like the sun that shines, endlessly it shines (ohhh)
You always will be mine, it's eternal love (ohhh)
When ever love went wrong,
ours would still be strong (ohhh)
We'll have our very own everlasting love (ohhh)
This love to last forever
This love to last forever

Open up your eyes then you realize, (ohhh)
here I stand with my everlasting love (ohhh)
Need you by my side, girl to be my bride (ohhh)
You'll never be denied, everlasting love (ohhh)
From the very start, open up your heart (ohhh)
Be a lasting part of everlasting love (ohhh)
When ever love went wrong,
ours would still be strong (ohhh)
We'll have our very own everlasting love (ohhh)
This love to last forever
This love to last forever
